Description

"This is the starting level of DUPLEX Easy control system that provides basic functions of controlling of the unit. The limited functions, however, give a very good price of this variant:
· **Frost protection – fan disballance**
· **Automatic by-pass with servo drive**
· **Reheating**
· **Volume flow**
· **Analogue input (0–10 V) for air quality sensor**
· **Digital input for signal from WC, bathroom ...**"
